Steve, you've already got this message, but to cover bases, I'm including Neil, since this relates to drilling. I'm also cc'ing Doug and Judy, in case you're inclined to delegate. Please decide among you who you wish to have join the discussion, and come to my office (12-430) when you can.

The discussion relates to our review of data from the Dimock area, and a possible message to PADEP regarding pending cessation of water delivery to affected residents.--Vicky

Vicky

At this point I think we really need attorneys present to discuss next steps. Can you add Doug, Judy and/or Neil to your invite?

Thanks.
